Public update meeting to discuss plans for a project (Capital Project D-1158) to stabilize an unnamed tributary to the Little Patuxent River at a site behind 3951-3959 Ducks Foot Lane. The informal meeting will include an overview of the design followed by an open discussion. County staff and the project's design consultant will be on hand to answer any questions and gather public comments. Those unable to attend the meeting who would like to view the plans and/or have questions should contact Mr. Avinash Dewani with the DPW's Stormwater Management Division at 410-313-6417 or email adewani@howardcountymd.gov. Construction is expected to begin in early September 2020.
